About this property

Thanks to the quiet location, away from the street, you enjoy complete privacy and a green, relaxed environment in the beautifully landscaped southeast-facing garden. You reach the front door of the house via a few steps. Upon entering, you step into a cozy and bright living space with an open kitchen, practically arranged for optimal living comfort. On the ground floor, there is a bedroom with built-in wardrobes, as well as a convenient storage room with a toilet, which formerly served as a bathroom. The first floor features two additional bedrooms, both equipped with built-in wardrobes, and a second bathroom. The communal swimming pool is easily accessible via a charming alley, so you do not have to walk along the street. In addition, the property features a private parking space on the street side. The location is also particularly convenient: the Blue Lagoon commercial center is situated just a few hundred meters away.
