About this property

Set in a wonderfully peaceful and private setting in Villamartin, this impressive detached villa occupies a large 800 m² plot and offers an exceptional combination of space, mature gardens, a private swimming pool and completely independent guest accommodation. The property has been extensively improved by the current owners and is the kind of home that immediately feels different from the typical Villamartin villa — surrounded by greenery, with generous outdoor areas, far-reaching views and plenty of space for family and guests. The main house opens into a bright and spacious open-plan lounge and dining area, with a modern open kitchen positioned to the side. Also on this level is a particularly large bathroom incorporating a practical utility area. Upstairs are two double bedrooms with fitted wardrobes and a family bathroom with a walk-in shower. The master bedroom enjoys its own private south-facing balcony, while a second balcony can be accessed directly from the landing. From…
